

VISIONS of VEGAS

A 1-man musical revue that has Barry Moyle singing and entertaining the audience while vocally impersonating a variety of personalities. He includes impressions of Nei Diamond, Roy Orbison, Louis Armstrong, Frank Sinatra, and Dean Martin as well as Julio Iglesias, Willie Nelson and several others to round out the show. Barry adds an element of comedy and audience participation throughout the program.

Added to the show to round out the hour, the second set includes either a Marilyn M., Shania Twain or Madonna impersonator to perform a 15-minute set. Then Barry returns to the stage to conclude the show with a 20 minute Elvis Revue
